

## Prequalification

# Soft Inquiry Credit Report

## Move them one step closer to their dream

Certified Credit's Pre-Qualification Soft Pull Report is the go-to solution for pre-qualifying prospects in less time and for less money. Incorporating information from one, two or all three bureaus, this soft pull report helps you say "yes" with confidence and quickly turn leads into clients.

### Offers Maximum Flexibility

Choose from a low-cost single bureau option or a two- or three-bureau merged file, all with no credit impact.

### Improves Efficiency

Hassle-free integration seamlessly incorporates the information into your existing LOS and workflow to speed the approval process. Cascade functionality reduces workflow interruption and helps to streamline your operation.

### Saves Time & Money

Pre-qualification enables you to affordably identify potential issues upfront before the application process begins.

### More Than Just a Score

At Certified Credit, we deliver more than just a score. We provide industry-leading information and analytics with the expertise and technology you can rely on to fuel your business.

### Boosts Approval Rates

Instant results allow you to approve loans more quickly and match applicants to the loan options that are right for them, all with no impact to their credit.

### Enhances Decision Making

Full bureau file gives you a complete picture of your prospective borrower's credit history, leading to better decisions and reduced risk.

### Reduces Fall Out

Eliminates triggers to help prevent you from losing potential borrowers to competitors.
