

People First. Integrity Always. Innovation Driven.

The Certified Difference

With a sharp eye on the latest industry regulations and emerging trends, we're always focused on identifying ways to help you improve profitability, support your people, and hone your best practices into streamlined processes.

People Support

We believe in hiring responsive, helpful, and customer-oriented team members - and then training them to grow as FCRA-Certified professionals. With over 20% of our client success and support teams fluently bilingual, customers and borrowers alike appreciate the ease of communication.

Powerful Data Analytics

With our industry expertise and in-depth analysis, we can help streamline your ordering processes, thereby reducing costs and saving you money. We can even set you on the path to identifying previously declined applicants who may be able to qualify for a loan now or in the future.

Creative Pricing

We customize our pricing to best fit with your loan process and business model. Whether it is a Front or Back-End bundle, Step-Up pricing, Smart Select, Smart Pay, or our low cost Prequal Soft Pulls, we have a vested interest in helping you analyze where there are opportunities to improve your P&L.

Innovative Products & Partners

Anticipating opportunities and responding to regulations is a significant strategic focus for your long-term success. That's why we partner with the best and most innovative companies in the industry to bring you the products and services you need to grow your business today and into the future.

Customer Onboarding

With a smooth and simple transition, bringing on our team as a new vendor partner doesn't have to be a challenging process. We customize the onboarding process to maximize efficiency and minimize disruption, ensuring trainings are conducted on your schedule and tailored to your needs.

Commitment to Customization

No two borrowers are alike. And neither are our customers. With hundreds of flexible options and the commitment not to squeeze your team into a box that doesn't fit, we can tailor our products and information to suit your specific needs, ensuring you are comfortable and improving efficiencies.
