

Cascade Prequal

Soft Pull Credit Report

Move them one step closer to their dream

Certified Credit's Cascade Prequal Soft Pull Credit Reports simplifies the prequalification process with automated report selection - choosing a one, two or all three bureaus soft pull based on your credit thresholds. With consistent, streamlined processes, Cascade Prequal turn prospects into loyal customers by explaining their loan options up front - without triggering competitor monitoring or alerts!

Offers Maximum Flexibility

Customization enables you to pull a low-cost single bureau option or a two- or three-bureau merged file, all with no hard credit implications, based on your credit thresholds.

Improves Efficiency

Hassle-free integration seamlessly incorporates the information into your existing LOS and customer-facing website, simplifying workflows, and speeding up the prequalification process.

Empower Borrowers

Leverage customer insights to determine borrowers who could qualify for better rates or mortgage products with credit score improvement, then coach them to success!

More Than Just a Score

At Certified Credit, we deliver more than just a score. We provide industry-leading information and analytics with the expertise and technology you can rely on to fuel your business.

Boosts Approval Rates

Instant results help you match your applicants to the loan option that's right for them, all with no impact to their credit.

Enhances Initial Decision Making

Full-bureau file gives you a complete picture of your borrower's credit history, leading to reduced risk and allowing you to focus on more qualified borrowers.

Reduces Fall Out

Eliminates triggers to help prevent you from losing potential borrowers to your competitors and identifies potential issues upfront before the application process begins.
